

Rotary Power Grader

40+ HP SKID STEER

FEATURES

- » Hydraulic bidirectional rotor for forward and reverse operation
- » 25 degree angle and 28 degree tilt for easy swaling and ditching
- » Dual-motor design delivers 40% more torque and eliminates outside bearings and chains

UNIVERSAL
MOUNT
OTHERS AVAILABLE

REQUIRED FLOW
65 - 110 LPM

MAX WIDTH
2430 mm
